GangJin Key Agendas

This page presents key agendas designing the county to people.
We will ensure prompt and unfailing county agendas to go into a better future.

Create Jobs and Revitalize Regional Economy

- Focus on attracting businesses to Gangjin Industrial Complex
- Revitalize agricultural processing and distribution to create jobs
- Create jobs for the silver generation in villages and social enterprises
- Build capacity of SMEs and protect local commercial area
- Foster and support manufacturing industry in private factories and industrial complexes

Create Jobs and Revitalize Regional Economy

- Increase income levels through 6th industrialization of agricultural, livestock and fisheries industries
- Create tropical fruit complex
- Build large complex smart farms
- Expand economic forests and fruit tree complexes
- Promote direct trading between producers and consumers (create farmers markets for local foods)
- Designate and intensively foster specialty products in Gangjin
- Create seaweed processing cluster
- Foster animal welfare focused on eco-friendly livestock industry

Build Tourism Infrastructure and Residential Tourism Industry

- Set up Gangjin Montmartre Hill
- Build low- to medium-cost accommodation facilities (e.g. guesthouses and youth hostels)
- Designate 50 best restaurants in Namdo
- Build unique attractions in Gaudo Island that visitors want to come again
- Build sunset viewpoint in Gangjinman Bay
- Early completion of restoration of Jeolla Naval Fortress Site
- Strengthen sports marketing
- Operate marina yacht in Gangjinman Bay

Balanced Regional Development with Shared Prosperity

- Develop recessed area in Dongmunan, Gangjin-eup
- Build road between Gangjinhyanggyo and Geumgoksa Temple
- Develop neighborhood of Jeollanamdo Civil Servant Training Center
- Develop area between Gangjinman Bay eco-park and Dasanwon
- Build amusement park and public park in Boeunsan Mountain
- Build more parking areas in town

Build Transportation Hub in Southwest Coastal Area

(<http://www.gangjin.go.kr>)

- Build Namhaean Railroad (Boseong - Imseong)
- Build Gangjin - Gwangju highway
- Improve national highway 23 between Gangjin and Maryang
- Launch and operate cargo ships in Sinmahang Port
- Build Ggachinaejae Tunnel

Create Welfare Community with Shared Happiness

- Improve residential environment of the disabled and senior citizens living alone
- Simplify bus fares in farming and fishing villages to KRW 1,000 (KRW 1,000 buses)
- Improve village senior citizen centers into welfare and cultural bases
- Expand senior citizens' job and social activity supports
- Increase physiotherapy and dentist buses
- Expand visiting health management project
- Provide tuberculosis examination for senior citizens
- Promote sports for all to improve health of county people
- Reduce blind spots in crime prevention
