Full of beauty and freshness!

Maryang Port has the remains of the historic Manho Fortress, and is a port of abundance of fisheries products all seasons with heavenly natural environment with Ggamakseom Island providing a good habitat for fish and Gogeumdo Island serving as a breakwater against waves toward Maryang Port.

Aerial VR

Panorama

In 1417 during the reign of King Taejong in the early Joseon Dynasty, the Madujin camp has been installed under the Manhojeoljedowi, and during the Japanese invasion in 1592 and 1597, the Maryang Port served as a strategic point where the Turtle Ship was on duty at all times. At Maryang Port where the evening is more beautiful than during the day, a cheerful musical concert is held every Saturday that brings the beautiful port and visitors together.
